

ABOUT COPELAND

Copeland Furniture has been producing wood products and furniture since 1976. We have gradually grown over the years from a one man shop to the largest employer in our small town of Bradford, Vermont producing high quality furniture.

We are surrounded by beauty. The architectural gems that line the streets in Vermont's well preserved villages inform our aesthetic and sense of proportion. The natural landscape surrounds us with beauty in the form of farmland and mountains, and is also the source of a renewable resource - solid hardwood - from which we build beautiful furniture for your home.

We know that our environment is, in many ways, very fragile. We are the beneficiaries of the strong stewardship ethic practiced and passed down by those who went before us. We hope that the next generation appreciates our stewardship and is inspired to continue the tradition.

We hope that you can see that respect for the landscape in the furniture we build for your home – timeless designs and timeless quality. We remain a family owned and operated business committed to manufacturing high quality products in America.
