

KEATON BEDROOM

Drawing inspiration from Art Deco styling, the Keaton Bedroom collection has a touch of modernity with a smooth and flawless feel to it. The upholstered components add softness to the sharp lines of the bed while the case pieces are highlighted by a geometric, chevron pull. The Keaton bed is low and sleek and designed for a mattress only. Upholstered beds are available in a range of microsuede, fabric, Ultrasuede®, Ultraleather®, Sunbrella® or leather colors as well as COM (customer's own material). Please refer to the upholstery page of this catalog.

The Keaton Bedroom is crafted in solid American black walnut hardwood with natural finish and Made to Order with a variety of knob or pull options. The finish is **GREENGUARD Certified** for low chemical emissions.
