Frank Lloyd Wright® Assets Approval Process

Please use the enclosed style guide when developing marketing material. Closely adhering to the style guide will speed the approval process.

All marketing material that includes any foundations assets mentioned in the Style Guide must be sent to Armin Driver for prior approval, armin@copelandfurniture.com.

Upon receipt of the material Ms. Driver will work with the Foundation to obtain formal written approval for use of the asset(s). This process can take two to three days for the Foundation to review and approve or make editing recommendations. Please plan accordingly.

Please do not hesitate to contact Armin Driver if you have any questions about the approval process or use of Foundation assets.
