Our finish is GREENGUARD Certified for low chemical emissions

\*When arranged in a sectional configuration, Moduluxe cases should be leveled with the built-in leg levelers. The levelers are accessed through holes in each corner of the inside bottom of the case.

A special 5mm hex-drive ratchet is required for the adjustment. This tool is included only with Moduluxe corner cases although it may be purchased separately.

This operation is not necessary when the cases and beds are arranged separately from each other.

Wall edge dimensions for corner cases - 31 1/8" x 31 1/8"

If the material has a pattern, please email [lynette@tcopeland.com](mailto:lynette@tcopeland.com) a digital photo with a '+' marked for the center of the seat or back. **Page 56**  
 To find the center of the seat or back, use the mid point of a line from front to back and from left to right - not from corner to diagonal corner.  
 Please send the COM to Copeland Furniture, Attn: Lynette Vincent, 156 Industrial Drive, Bradford, VT 05033 with the order number clearly marked.

**COM orders must include verification that the COM complies with California Technical Bulletin 117-2013 (CAL TB117-2013)**  
**Customers should request in writing via email, that the fabric vendor verifies compliance with CAL TB117-2013 and then forward this verification to [lynette@copelandfurniture.com](mailto:lynette@copelandfurniture.com).**
